## EXPERIENCE

### SOFTWARE DEVELOPER INTERN · NEUDESIC 2023-CURRENT

As an Intern, I have built a full stack application using React and CSS on the front end and .NET, C#, Entity Framework and SQL to build the backend, API, and data layer. I also gained experience with software principles, security and working in a team.

### OUTSIDEYARD · MENARDS 2018-CURRENT

As an outside yard team member, I assisted customers by helping them find products and operating a forklift to move lumber and other products around.

## EDUCATION

### BS CSE · THE OHIO STATE UNIVERSITY 2023-2025

I am completing my Bachelors Degree in Computer Science and Engineering and will graduate in the spring of 2025.

### ATS COMPUTER APPLICATIONS · NORTHWEST STATE COMMUNITY COLLEGE 2020-2023

I took software development courses that help build a foundation in writing code as well as various general education courses to transfer towards my bachelors at Ohio State. GPA: 3.51
